Course but returned to India in December 1910 after undergoing a Course of about 7 or 8 months in the Bern University Therefore the balance of the Scholarship may be considered as Cancelled.

2 Another point for consideration is how to treat the advance of £ 100 granted to him. If he had drawn the Scholarship for 2 years this advance would have been recouped from the instalments of Scholarships

3 He has drawn the following amounts :—

1)	Advance for equipment.	£ 50
2)	Advance for initial expenses	£ 50
3)	Instalment of Scholarship up April 1910	" 31-5

26 Mr Narkälasubbaya was granted a Dannodaran Scholarship of £ 150 a year for 2 years for the study of Sanskrit at a German University by Government order No 697-1/ Edu 714-09-2 of 11th February 1910

22 But he took up a Course of study other than that which was approved by the Inspector General under the Government Order referred to above The term of his study was only 9 months instead of the two years prescribed and at Berne in Switzerland

23 He is therefore entitled to a Scholarship

Of only £ 112-10-0 for 9 months at £ 150 per Annum but he has Actually received £ 193-15-0 As he produced a medical Certificate on the Strength of which he has returned home within the period prescribed he is entitled to the return passage money of £ 34-16-8

27 The Excess Amount drawn by him is -- £ 81-5

The passage money due to him is - £ 34-16-8

The balance due from Mr Venkata Subbaya therefore is £ 46-8-4

28 The medical Certificate was filed, as per Inspector Generals orders as Mr Venkatasubbaya did not answer the question contained in the docket Calling for the medical Certificate The whole question of Mr Venkatasubbaya's passage money turns upon whether the Study he made in Switzerland was the Course for which he was sent He has failed to take up the Course in Linguistics and Comparative Phelology which are the Specialety of Western Scholarships He admitted in one of his letters that this would mean tough work in Latin & Greek

29 His Claim for a Lump Sum of £ 300 and passage is extraordinary as he Stayed in Europe only 9 months and took a degree in Subjects which Cannot be attached the

NOTE—Contn sheet

Value he demands for them The Govern ment Order Sanctioning the Scholarships lays down clearly that he was to be given a Scholarship of £150 a year for 2 years Thus on the face of it makes the Claim untenable

30 The amount of £46-8-4 is, therefore, due from him whatever view be taken of the question of his Studies in Europe, as per Govt Order No. 3866-7/Edn 114-09-10 dated 7th November 1910

31 Dr Venkatasubbaya was called upon to State if he had any grounds to urge against this amount being recovered, but he has not chosen to reply It is for Government to decide whether the claim Should be enforced, or Seeing that the failure was due more or less to reasons of ill health and the Candidate has been without employ after his return, the debt may not be excused

30. If the rules are ~~to be~~ strictly enforced, Mr Venkatsubbiah will become bound to refund the whole amount he has drawn from Govt, including the passage money also & this may perhaps be considered unduly severe — seeing that he did undergo a course of study and obtain a degree in Switzerland — he may be allowed the amount of Scholarships due for the nine months of his stay ~~on the Continent~~ in Europe at £150/ a year and passage money both ways & he will then have to refund £46 8 4 or Rs 696-4-0 An order to this effect ~~This will be an order~~ will, in fact, be a ~~not~~ concession shewn to him, and there seem to be no considerations ~~whatever~~ to waive the claim for refund of this latter amount
